Sir:

In response to the "Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US)," for the above application, that was sent in error, Applicant respectfully submits herewith a copy of the Declaration for the above identified application properly executed by the inventors, previously filed December 12, 2006. Applicant also submits a copy of the Submission of Executed Declaration, the executed Assignment together with the PTO-1595 form, the filing receipt also submitted December 12, 2006, and a copy of the postcard from the USPTO, on September 29, 2005, which displays the proper Application Number (10/594,945).

Applicant believes the error in sending the "Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US)," is a result of a clerical error. This error occurred due to an incorrect Application Number being applied to the filing of the Missing Parts submitted on December 12, 2006.

Applicant respectfully requests acknowledgment of the previously filed executed Declaration and Assignment, to satisfy the Missing Parts requirements. Applicant also requests the USPTO to update its records to show receipt of documents.

Applicant believes that no fee is due at this time, due to the prior submission of the payment submitted on December 12, 2006. However, the USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account. A duplicate copy of this paper is attached.

Respectfully submitted,
